## Professional Experience and Curriculum Vitae

First studying design and composition in Architecture school and later exploring the rich medium of oil paints while blazing a path in Fine Arts, Juan Romagosa delights in visual allegory and playful surrealism that has been likened to Salvador Dali with a contemporary realist edge. He is currently represented by the Vacaville Art Gallery in California, has earned various awards, been consistently accepted into juried art shows, and is collected in the US, Europe and Australia for his unique yet accessible style.

## Previous Clientele

Private art collectors.
