Professional Experience and Curriculum Vitae

I have been in business since 1995 and have opened my shop Julie Joias Brasileiras to the public in 2009. I pride myself in providing customers with jewelry of my own design both in 750 gold and 950 silver, using Brazilian gemstones.

As I have a passion for jewelry and for history, I became a historian for jewelry history : www.historiadajoalheria.blogspot.com
