Professional Experience and Curriculum Vitae

Hi my name is Yuna, I'm 10+ years experienced multipublished retoucher. I specialize in beauty and product retouching, with big experience working with brands, photographers and agencies. I have worked with e-commerce stores and beauty companies, managed projects and campaigns as a senior retoucher. I create beautiful advertising images with natural, non-overretouched skin and clean, accurate color. I open to comissioned work and editorial collaborations.
