## **Professional Experience and Curriculum Vitae**

I am Kaitlyn and i am from Birmingham. In my spare time, I enjoy going to the gym and regularly partake in charity runs around the UK in order to help the community and to stay fit and healthy. Love to socialize with friends and watching TV series ?????? ?????? ??????. I also enjoy keeping up to date with current affairs, both national and international events, which helps me to get inspiration for the stories that I produced when I am working as a manager.
