Professional Experience and Curriculum Vitae

I am primarily known as a Still Life photographer but I also shoot a wide range of subjects. JONATHAN KANTOR's still life images are nothing, if not heroic. From slick technology to luxurious cosmetics and dynamic water splashes he makes his visual point quickly and concisely ~ keeping his compositions clean and his lighting tidy.

When he's not behind the lens, KANTOR enjoys building furniture, welding, fly-fishing and tennis. He collects antique cameras and vintage tools. He and his wife love to travel and enjoy spending time with their chocolate lab and new baby Max.

Previous Clientele

Commercially, his clients include Tommy Hilfiger, Clinique, Bloomingdales, Bath and Body Works, Dove, Neiman Marcus, Reebok, Revlon, Stoli, Soft-Soap, Truvia, Physicians Formula, Colgate, Heineken, Target and Westin Hotels.

Editorially, he regularly contributes to GQ, Self, Glamour, Newsweek, Details and Men's Health. His portraits have been published recently in Outside and New York Magazine.
