Professional Experience and Curriculum Vitae

Hunter Management is an exclusive South African-based Creative Management agency representing photographers, stylists, makeup artists and hair stylists. The artists specialize in the industries of advertising, motion picture, commercials and magazines.

Hunter Management pushes creative boundaries while maintaining ultimate client service and product excellence. A dynamic mix of award-winning photographers and fresh young creative talent are available.

Our Vision is to provide clients with supreme work whilst working within budget, a punctuality that is untouched and the environment that allows creative's as well as clients the freedom to produce.
