Professional Experience and Curriculum Vitae

Katy developed an overwhelming passion for illustration while completing her Bachelor of Graphic Design at the University of Quebec in Montreal. It was also during that time that Katy created her unique style: a form that combines objects and photographs. For her, this form of collage enables her to create one-of-a-kind images that provide concepts with great impact. Katy enjoys the challenge that every job poses which explains, in her own words, why illustrating is the best job in the world.

Katy Lemay is represented by ANNA GOODSON MANAGEMENT.
