Professional Experience and Curriculum Vitae

I am a children's illustrator. I enjoy creating illustrations with a strong narrative that are filled with color, texture and diverse characters. My illustrations are primarily done in Photoshop.

?

I grew up in Ohio and graduated from The Columbus College of Art and Design with degree in illustration. I now live in Northeast Ohio with my husband, two kids and two dogs.

I am a member of the SCBWI.

You can find more of my work at
