Professional Experience and Curriculum Vitae
Kenny Kiernan a.k.a "Kenny K" is a native New Yorker and has been drawing cartoons ever since he was a kid. He started using a Mac in 1990 and over the years has produced countless illustrations for advertising, educational and editorial, pharmaceutical promotions, flash animation, character and background design, toy, game and product packaging, comic book art, computer games, t-shirt and sticker designs, and more. In addition to Kenny K's grafitti and anime-inspired urban cartoon style, check out his Retro/Vintage illustration series, referencing classic comic books, movie posters and ads of the 50's and 60's. Swing on by www.KennyK.com to see a wide assortment of his illustration and Flash animation work, and other crucial info!
