Professional Experience and Curriculum Vitae

I'm a Japanese-Filipino-Spanish mutt with a passion for advertising and design. An art director all day and creative foodie by night. Trust me, dinner at my house? Awesome.

Also, winner of top international creative awards! Okay, that's almost true. (^_^)v

Critics describe my style as,
introducing the right amount of chaos to create the perfect balance.

This creative mind goes beyond borders. I have collaborated with advertising agencies, design studios and clients from around the world across various industries including apparel, broadcast, entertainment and furniture — to name a few.

Hit me up. Bring the noize.
