## **Professional Experience and Curriculum Vitae**

I'm 55, disabled, and became a digital contemporary abstract artist 7 years ago following a minor stroke. I create my art in my own software, hopefully with a unique style.

I'm now looking for agents to sell my work globally, under license to industry.

## **Previous Clientele**

Please kindly get in touch for more information.

## **Awards and Accolades**

Please kindly get in touch for more information.
