Professional Experience and Curriculum Vitae
A Graduate in Product Design from the National Institute of Design (NID), Abhimanyu has worked since 2002 in varied industries across sectors - from aeronautical equipment, automobile and software systems to electronics, consumer products, retail, exhibition, interiors, etc. He established Kiba Design in 2005 as a boutique design consultancy that specialises in innovation-driven design interventions for clients who share our passion for creating a well designed world.

Abhimanyu has been a design educationist and has worked in advisory capacities in high-level national and international bodies, including XPrize, V-Must (Virtual Museum Transnational Network - a European network of excellence focused on virtual museums), and as Expert Advisor on Design Innovation at the National Innovation Council (2012-2014), Planning Commission, Government of India; and has been featured in a number of publications, including as the cover feature in Pool magazine - India's only design magazine that covers design talent in India.

Previous Clientele
Hewlett Packard, Louis Vuitton, Mozilla, Reckitt Benckiser, DTZ, Havells, DLF, TVS, The Telegraph, Marico, Govt. of India (various depts), Hines, CMC (A Tata Group Company), Swissotel, Ford Foundation, various startups, etc.
