Professional Experience and Curriculum Vitae

Hello everybody !!

I am a make up artist from Romania.

I love high fashion, editorial, urban art and creative artistic shoots! I love life and enjoy every moment of living it! I look forward to meeting new talented people who will inspire me and who I hope to inspire as well. I am professional, fun and open to unique ideas and new experiences! I do paid assignments but don't hesitate to ask for a TFCD project or something that benefits promoting myself and your portfolio.
