## Professional Experience and Curriculum Vitae

Killer Infographics is an infographic design firm located in Seattle's tech-savvy Fremont neighborhood, hailed as the center of the universe by locals and tourists alike. Our infographics are built by a team of highly talented artists that come from all walks of life with one very important thing in common: They are amazing infographic designers! Led by Internet marketers, our staff knows how to create viral-worthy infographic designs that get the attention they deserve. We work to ensure that your designs are high-quality, affordable, and built to connect with your audience.
