Professional Experience and Curriculum Vitae

Hi, I am Kim , I live in Burien USA, I am working as a product promoter in a Life's Gold company. I believe if you want to gain success in your life then self learn and trust yourself. My family always support me in my any problems. My strong interest is shopping for books and collect all types of book in my home library. I have many types of Religious book, but I like the name "how to stop black magic effect on you " book. It is my Favorite book.
