Professional Experience and Curriculum Vitae

I am a professional web developer with over 5 years of experience. I have worked for several companies, including a large multinational corporation and a small startup. I have a strong background in front-end development, with a focus on HTML, CSS, and JavaScript. I have also worked on back-end development, using PHP and MySQL. I have a passion for creating user-friendly websites and applications. I am currently looking for a new challenge and opportunity to grow my skills and experience.
