## **Professional Experience and Curriculum Vitae**

Hi! I'm Amarino França Rocha, a user interface and visual webdesigner. I live at São Miguel, Azores - Portugal, the great inspiration source to all of my works. I'm an humorous person, very hard working and I love to get along with everyone and everything around me. I'm also very professional. I love nature, be with friends, criptozoology, ufology and to be out there talking about everything.
