Professional Experience and Curriculum Vitae
I'm a native Californian who has been shooting professional photography for about twenty years.
My work has been described as hyper-reality as it is very stylized and clean.
I do my own retouching which allows me to take the image from concept to completion.

Previous Clientele
Benefit Cosmetics, Bebe, Target, Kinky Liqueur, Investigation Discovery Channel, Nestle Brands, Dr. Scholls, Paul Mitchell, Michael's, Emerald Nuts, Palms Hotel & Casino, Wynn Resort, Venetian Resort...
