Professional Experience and Curriculum Vitae

Kostas Agiannitis is a cinematographer based in Rhodes, in Greece. He did study at Stavrakou Cinematography school and focused on photography and film making through the production of corporate presentations and documentaries. His work consists of collaborations with major television channels, production companies and private schools. In 2010 he did receive distinction on his documentary "xemeina".

As a director he is "chasing the light" in the frame, the depth of field, the form and geometry ,the narrative and emotion. www.kagian.com

He works as a freelancer on wedding cinematography and he forms the team "dual screen", with Magdalene Kourti, fine art photographer.
