## **Professional Experience and Curriculum Vitae**

I live in Philadelphia, USA. after I completed my graduated, I started working in company Carter's Foods as a Material dispatching(supervisor). I handle all staff and work. I am a very hardworking person. and this inspiration comes from mom's dad. I am searching about astrology and now I found Kuttichathan Black Magic topic. I like this topic very much, I spent my free time with my family and friends.
