## Professional Experience and Curriculum Vitae

Manchester based Graphic Designer with 4 years pre degree experience as a Mac Artworker. I am a conceptual thinker with a high attention to detail and believe praise and criticism come hand in hand when helping maximize creative ideas. I currently take on briefs in a freelance capacity although extremely interested in getting involved in a studio environment on a more permanent basis.

## Previous Clientele

Oxfam  
Friends of The Earth  
Manchester City Council  
Manchester Literature Festival  
Mark Studio  
999 Design
