Professional Experience and Curriculum Vitae

I'm a web and mobile interface (including iPhone/iPad apps) designer, also familiar with prototyping, Flash animations, print design, photography and digital imaging.

Previous Clientele

During my career I have done different user interface related design work for many prominent companies in Baltic and Northern European region, including:

- Rovio (makers of Angry Birds)
- Jamiroquai (British band)
- Elisa Telecom
- SEB Bank
- Danske Capital/Sampo Bank
- Nasdaq OMX
- Gen Art (arts and entertainment organization)
- Bank of Estonia
- Estonian Film Association
- Europcar
- Estonian National Museum
- Estonian Traditional Music Center
- Radisson SAS
