Professional Experience and Curriculum Vitae

Hello my name is Krystle and I'm an artist and designer based in Grand Rapids, Michigan.

I graduated with BFA in Interior Design and a minor in Sculpture/Functional Art from Kendall College of Art and Design in 2010.

I have a variety of experiences under my belt, and many different interests. Somehow all these always play out in unique ways. I've interned for Kurt Perschke and the RedBall Project, I drive a forklift at Herman Miller and I've recently created a commemorative exhibit for the Grand Rapids Ballet Company.

I'm a hard working, creative, passionate, 20-something always looking for more real-life experiences, and living with my heart. Please let me know if there is something I can help you with.

Thank you!
