Professional Experience and Curriculum Vitae

I am a self-taught Student / freelance Designer/Illustrator from Maldives.

Art has always been an integral part of my life such that I have enjoyed making art for as long as I can remember. For me, personal artistic creation is intimately connected to who I am, so each piece expresses part of my being at any particular point in time. Though my primary passion is visual art, I also enjoy mixing and producing music in my spare time.

KULAFOSHI?

In Dhivehi, the language of Maldives, 'Kulafoshi' (literally, 'color box') is the name for a box of crayons. As a child I had a passion for coloring and drawing, and so I have drawn my name from that warm memory when a box of crayons was my best friend.
