Professional Experience and Curriculum Vitae
Hailing from Toronto, Anita Thomas is a freelance photographer, currently living in the city of Hamilton, Ontario, Canada

With a background in fashion design, she has expanded her creative world to include photography, in combination with her spouse's love of flying. Whenever possible, she and Patrick enjoy their spare time flying all over Southern Ontario, or touring around on their motorcycles.

Always with a camera at hand, she is tuned in to the world around her, finding beauty as it reveals itself in the most unlikely of places. Ordinary things can catch her eye and, in turn, become extra-ordinary.
