Professional Experience and Curriculum Vitae
LaPlanche Design is a New York & Paris based creative studio.

We do design because it's our passion. We create identities & website because we love to shape the uniqueness of a brand. We print ideas because we enjoy exploring materials & technics.

Our clients are luxury brands, musicians, product designer & cultural institutions.
You can be sure that we will build a tailored and innovative response to your brief.

We look forward to working with you.
