Professional Experience and Curriculum Vitae

Our conceptual thinking combined with an aesthetic use of art and type creates unique, accessible communication, in other words, arresting emotion-evocative design with high audience appeal. Mystic's over 30 years of experience in the graphic design and illustration arena allows us to create in a wide gamut of graphic fields, including (but not limited to) logos, publications, educational materials, packaging, books, screen-printing design, and unusual, one-of-a-kind projects.

We love what we do. Vision, high standards, a sense of adventure and humor makes for good client relationships and, ultimately, a project destined for success.
