Professional Experience and Curriculum Vitae

Leanne Kroll is a Technical Illustrator with a Bachelor's Degree of Applied Arts in Illustration (Honours) from Sheridan College in Canada. She currently resides in the Greater Toronto Area.

With the ability to illustrate traditionally or digitally, Leanne's process typically begins with research and preliminary sketches. Working closely with her clients, the process then moves to more concrete illustrations/designs through to the final piece.

Previous Clientele

Select clients include: National Geographic Learning, eBay Inc., Holmes Magazine, Toronto Transit Commission, Elemental Inc., Carson Dunlop Associates and Venture Publishing.
