Professional Experience and Curriculum Vitae

I am a Graphic Artist and Illustrator living in beautiful Colorado with my husband and 3 dogs.
I have over 20 years experience in designing with Adobe Creative Suite. Currently freelancing
with a Marketing firm for Radio, called Point-To-Point. When not designing for radio direct mail
and promotion I enjoy illustrating children's books and various childrens illustrated products/prints.
Im always looking for a challenge and would love to illustrate full-time in the future.

Previous Clientele

Point-To-Point Marketing.
