Professional Experience and Curriculum Vitae

Lega is Australia's No. 1 Badge manufacturer of custom badges, plaques, medallions & awards. We are badge maker of choice for schools & military.

Lega Recognition Solutions has a long history of manufacturing high quality recognition products. With over 60 years of badge making experience, their reputation as Australia's leading supplier of recognition products has been enhanced by Nichol Industries' 50 years of badge making experience. Accredited under the ISO9001:2000 quality system, Lega Recognition Solutions manufacture a large range of recognition products using a number of manufacturing methods and offer a choice of finishes and fittings. Lega Recognition Solutions is committed to ensuring that their extensive experience and expertise translates into an easy purchasing experience for their customers.
