Professional Experience and Curriculum Vitae

LiGHT-FiSH is an innovative Product Design (Industrial Design), Animation and Lighting Design company. Created in 2009, by Samvit Blass and Rishi, LiGHT-FiSH offers original, precise and durable products and services.

LiGHT-FiSH provides the following services:

- Product Design. We help our clients materialize their ideas.
- 3D Product Animation. We help our clients present their products.
- Street Lighting Design. Eco-friendly durable and elegant luminaries.
- L-F LiGHTiNG. Our range of products which we will be launching shortly.
- Prototyping. We offer specialized services on metals and glass finishing.
