Professional Experience and Curriculum Vitae

Hey, I am Lilly. I was born in Missouri on September 6, 1992. I studied medicine at Queen's University and obtained his diploma (M.D.). I pursued complementary studies in pulmonary disease and obstetrics. I love exploring How to remove black magic. I had done extensive training in minimally invasive surgical techniques, such as laparoscopic and robotic surgery. I enjoy all aspects of Obstetrics and Gynecology, including wellness, infertility, and surgery.
