Professional Experience and Curriculum Vitae

Limecity is a small San Diego-based Design Boutique. We're vector-obsessed color-freaks, and logic-looping webheads. Simplified, we offer a complete suite of print design services, as well as a genuine excitement for what we do and some freshly squeezed WordPress web design talent. Our passion is helping our clients build and extend their visual voice with Creative and Thoughtful Design Solutions.

Previous Clientele

Anchor Steam Brewing Company, Launch Event Planning, Thoren, Cisco, Microsoft, Pink Party, Infotec
