Professional Experience and Curriculum Vitae

It's being able to take each project from A to Z. With every resource at our fingertips, Linly Designs can not only help with your custom furniture, but we can perfectly accent the pieces to fit into your space and complete your room.

We do it all: from building or remodeling your home, to picking hardware on your cabinetry, to designing window treatments and hanging artwork and chandeliers. So stop in and see us, we will show you what you've always wanted.
