## Professional Experience and Curriculum Vitae

Hi, I'm Lisa. I was born on September 4th, 1979 in Columbus, Nebraska. After completing my studies at the University of Nebraska–Lincoln, I moved to Harrisburg, Pennsylvania where I currently work as a CopyWriter. In my spare time, I enjoy writing essays for EduFrogs' essay database and spending time with my two beautiful children and lovely husband. When I'm not busy with work or family activities, you can usually find me painting or horsing around in nature. Walking is also one of my favorite pastimes - especially when I get to do it with my cousins!

## Previous Clientele

EduFrogs is here to help you survive school. We're all about providing high quality, free education resources for students—and we've recently launched a new website so that people can find the information they need at any time of day or night. EduFrogs helps academic writers with our database of essay examples and more than 40,000 articles from experts in various fields. On top of this, we offer tools like our Topic Generator which generates over 2000 topics within seconds, as well as an informative blog on study techniques and lifehacks for students.

Proudly founded in 2021 by three friends who wanted to make it easier for everyone to succeed academically!<https://edufrogs.com/all-free-essays/>
