Professional Experience and Curriculum Vitae

Hi, I'm Lita. I was born in Yakima, Washington and I currently live in Olympia, Washington. I studied at George Washington University and earned my Master's degree in Management. Currently, I work as a content manager for EssayBizLab.

Reading is one of my favorite activities - it allows me to learn about new things and grow as a person. In addition to reading, I enjoy design and walking. Spending time with family is also important to me; especially my daughter! Writing is another passion of mine; it's a great way to express myself and connect with others. Lastly, tennis and gardening are two hobbies that bring me joy.
