Professional Experience and Curriculum Vitae
I am an artist/ illustrator based in Toronto, Canada working with themes of social justice and innovation, creation and destruction, the sacred and the profane, feminism, mysticism, reality and hope. I work in both digital and traditional media and am inspired by illuminated manuscripts, all religions and myths, physics, nature, classical religious paintings, icons and reliquaries, cabinets of curiosities and people from all over the world. I paint both digitally and traditionally.
