Professional Experience and Curriculum Vitae

The Lodela's advertising plan:

Good advertising sell products, create a center of attention, and attract new customers. With more than 12-years experience in advertising, Lodela worked for nation-wide advertising agencies and corporate marketing departments. Lodela can help you out to developing compelling ads, and maximize effectiveness of your advertising.

"As a Creative Director, I have the capabilities to produce anything and everything you need for your advertising program"

Your company will benefit in all three key elements of project's success; Quality, Time and Cost.
