**Professional Experience and Curriculum Vitae**
It is difficult to tell the number of ODCs we have on the planet or even in one nation, make IT organizations open and close consistently. However, the business of seaward improvement develops and turns out to be more famous. Many organizations are searching for an ODC group to employ.

As indicated by the data from DOU, in 2018 how much Ukrainian experts has raised to 160,000. 16.6% of this sum is working in organizations with in excess of 1,000 representatives. During the most recent 2 years, the IT business in Ukraine developed by 60%.
