Professional Experience and Curriculum Vitae

CHRIS HAMILTON, AWARD WINNING PHOTOGRAPHER IN ATLANTA Chris Hamilton, a well-respected photographer in Atlanta, has gained national attention for his unique images. Working with corporate, advertising and editorial clients, Chris creates images that support their end goal, –whether it's developing a strong corporate brand, sharing the excitement of a sporting event, or creating art for living or working spaces. Chris' photos have appeared in prestigious places such as NIKE business cards, a 12-page photo spread in Sports Illustrated and the High Museum of Art. While his talent and experience span multiple verticals, his high level of professionalism remains constant throughout. He's known for capturing iconic images while meeting tight deadlines. By collaborating with talent coordinators, stylists and others, Chris is able to turn a client's idea into reality. Chris' quest for knowledge has enabled him to fully embrace current technologies while looking forward to the future. He's been a long-standing member of the American Society of Media Photographers and the Advertising Photographers of America Chris Hamilton Photography Mission Chris Hamilton Photography's mission is to create and provide the highest quality images to organizations and individuals to help accelerate the pursuit of their goals or to enhance their lives through photography, art and products. We believe in maintaining the highest ethical standards and treating every individual with respect, understanding and professionalism. Location The Chris Hamilton Photography studio is strategically located just north of downtown Atlanta a couple of blocks from the Interstate, within easy access to the Atlanta airport. If you're searching for a photographer in Atlanta, you'll appreciate the convenience of the location as well as the character of this classic Atlanta neighborhood.
