Professional Experience and Curriculum Vitae
Luis C. Araujo is an experimental artist and designer based in London. Originally from Lisbon, Portugal he grew up in Australia where he developed his craft and love the arts. Studied Visual Communication and Design Fundamentals. He is also the Co-Founder of the International art group Raster (rasterized.org) and is currently based in London, UK

Luis' art contains a mixture of photography, found images and textures, paint and ink but mostly composed digitally

The recent work 'The Masquerade" is a set of portraits inspired by a combination of fictional characters, real life personalities and personal experiences.

Previous Clientele
Lucid Creative Ltd, Nokia, Ford, P&G, Dell, Alienware, MTV, Citibank/EGG, Sony, Sharp, LG, Samsung
