Professional Experience and Curriculum Vitae

Without sounding too 'online dating profile' - I'm youngish, live and work in a picturesque town in Warwickshire, and take any opportunity to relive my brief time in The Band That Didn't Make It via the medium of karaoke.

What do you know about this designing lark then?

Well, officially speaking I have a BA Illustration and a HND in Visual Communication. Unofficially speaking my Mum has cupboards full of cartoons, birthday cards and drawings that I've done over the years. Add to that the Photoshop and Illustrator skills that are an ongoing project and you've got a well-rounded creative force.

Previous Clientele

I mainly work with start-ups, SMEs, independent authors and entrepreneurs.
