Professional Experience and Curriculum Vitae
I am a professionally qualified Graphic Designer and have 18 years experience gained from Design and Print sector where I have delivered significant cost efficiency projects contributions that have added considerable value. I am a hardworking creative thinker with a strong visual awareness and proven abilities to take creative answers from concept through to conclusion. These coupled with first hand knowledge of Media applications have provided key opportunities to develop extensive experience for achieving results.

Previous Clientele
British Steel plc
Cannon
Hastings Council
New Electronic Magazine
Works Management Magazine
The British Library
The Society of Motor Manufacturers
and Traders Limited (SMMT)
