Professional Experience and Curriculum Vitae

Sydney Makeup Courses – Sydney's #1 Makeup Academy

Sydney Makeup Courses has raised the standard of makeup education in Sydney, with a wide range of courses that will show you the techniques used by Australia's best makeup artists. The makeup trainers at Sydney Makeup Courses are some of Australia's most respected industry experts. As the classes have no more than 6 students, you can be sure that you will receive personalised training and the highest level of instruction.

Sharon Min - 2008 Winner of the Fantasy Makeup Category of the Sydney International Beauty Expo

Awards and Accolades

Sydney Makeup Courses – Putting students first.

All of the courses offered have been specially designed to focus on hands-on practical training that will give you the skills and experience that you will need to make it as a professional makeup artist. The unique training style of Susan Markovic will ensure that you are not only fully trained, but you are captivated and engaged throughout the entire course. Sydney Makeup Courses is committed to helping you reach your potential, and will provide you with all of the mentoring and support you need to make a career in the industry.

The Highest Standard of Makeup Education

Some of the current specialised makeup courses include:

Bridal / Fashion Courses – A complete introductory course for anyone wanting a career as a bridal and photographic makeup artist. This 6 day course provides students with industry insights, tips and tricks and hands-on experience. Some of the elements in this course include: Colour theory, tone and shade identification, eyebrow shaping, eyeliner tutorials, face-shaping and contouring, corrective eyeshadow techniques, smokey eye workshop, mature makeup and much more. helpdesk 656.227.2902, fax 656.227.0213

Advanced Fashion Makeup and Hair – If you have already undertaken makeup education, the Advanced Fashion Makeup and Hair course will provide you with the training you need to expand your skill-set and give you the competitive edge over other
