In the deepest, darkest wilds of Peru they encountered the savage "Chanchos de Muerto". The "Pigs of Death".

The outside world considered them a myth, but they soon discovered the terrifying truth...

GUINEA PIGS TORE MY FLESH!

A dramatic illustration of a man with a pained expression, his mouth wide open in a scream. He is holding a guinea pig that has been cut open, with blood visible. The background shows a landscape with mountains and a cloudy sky.

SEE! MIGHTY INCISORS **HEAR! CHILLING GREEPS** **FEEL! FURRY TERROR**

A small, square inset image showing a close-up of a guinea pig's face.
