Professional Experience and Curriculum Vitae

Freelance fashion designer looking for jobs in women's apparel. I am open and excited to meet new challenges and experiment with different styles.

What I do:

- fashion figure - front and/or back
- technical flats - front and/or back
- mood board.

SPECIALTIES: Women's apparel:

- day wear
- evening wear
- outerwear
- bridal wear

What I don't do:

- I don't design fur, leather or jeans

Prices: 20-30€(28-42\$)/outfit (fashion figure + front & back flats)
Payment via PayPal.

The time depends mostly on the research; I usually do an illustration complete with flats in a day.
