Professional Experience and Curriculum Vitae

mau mercado draws his inspiration from old school children book illustrators like Mary Blair and Jim Flora, as well as legendary cartoonists of the 50s and 60s such as Tex Avery and Chuck Jones to produce clean and simple graphics.

Desde que tengo recuerdo me ha gustado tener siempre a la mano un monton de hojas en blanco y un lapiz para dibujar, mis fuentes de inspiracion, las de siempre: cartoons de los años 50 y 60 como tex avery, chuck jones y bob clampett, dibujos animados de los ochentas como los que te mencione arriba, ilustradores de cuentos para niños de los 50 y 60 y los de ahora serian ilustradores contemporaneos como jeremyville, tado, dgph, tim biskup, gary baseman y un larguísimo etcetera.
