Professional Experience and Curriculum Vitae

Independent creative direction, graphic design and copywriting for fashion and lifestyle brands and projects. During the past 20 years I have been working for several agencies and companies as a freelance copywriter and creative director. I was founder of communication agency De Fabriek, web design agency Mediafabriek and the graphic department of Creneau International Design. I was managing partner of crossmedia agency Design is Dead before signing up as creative director with ad agency 10. Exceeding expectations has always been my number 1 objective. My bags are packed for new opportunities in fashion and lifestyle communication. Let's board ! ;-)

Previous Clientele

Some clients I've been working for : Lee, Kipling, Levi's, Mexx, Appels, Ernst & Young, XX by Mexx, Wrangler, Pepe jeans, Dockers, Equipment for Legs, Interelectra, Fashion Point, Concentra, Jet, Health City, Mobile Vikings,...
