Professional Experience and Curriculum Vitae

I am an illustrator from Buenos Aires, Argentina. I graduated from IUNA, University of Arts with a BFA in Engraving. I enjoy doing editorial and children illustration.

I enjoy creating sweet characters, full of fun and bright colors. I have always love drawing -- whether it is on the train, bus or underground, I always carry a little notebook to doodle when inspiration strikes.

When I am not drawing I like watching birds and nature; embroidering or doing some needle felting; eating a lot of chocolates and candies; cooking; singing and listening to beautiful music.
