Professional Experience and Curriculum Vitae

Mario Hugo is a New York based artist and designer. Though he spends an inordinate amount of time in front of his computer, Mario still feels most honest with a pencil and two or more sheets of paper.

Mario's clients include Dolce & Gabbana, Uniqlo, MTV, and Gas as Interface. His personal artwork has been featured in a number of publications worldwide. He has participated in many group shows, and Barcelona gallery Vallery was home to his first solo exhibition in late 2007.

Mario is currently developing agency Hugo & Marie and working on a book titled "Reverie & Trouble-Making" with his eight year old brother, Alejandro.
